Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Van Epp, Daniel C.
Contributor:	Building Las Vegas Oral History Project
Title:	Daniel Van Epp oral history interview
ID:	OH-03174
Date:	2017 April 19
Physical Description:	4 Digital Files (0.098 GB) MP3, JPG, PDF/A
Language of the Material:	English
Abstract:	Oral history interview with Daniel Van Epp conducted by Stefani Evans on April 19, 2017 for the Building Las Vegas Oral History Project. In this interview, Van Epp discusses his upbringing in Virginia. He talks about his initial interest in architecture, moving to Las Vegas, Nevada in 1995, and becoming President of the Howard Hughes Corporation. Van Epp recalls the development of Summerlin, the increase of homes being built in that area, and the construction of the I-215 Beltway. Lastly, Van Epp discusses master planning communities and the construction of Symphony Park in downtown Las Vegas.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

This interview was conducted by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2017. Miguel Dominguez wrote the collection description. Access copies were created for born-digital audio and/or transcript files. The audio has been minimally reviewed and all readily available information has been included in the description.
