<b>Abstract:</b>	Oral history interview with Dr. Syed Saquib conducted by Barbara Tabach on February 23, 2018 for the Remembering 1 October Oral History Project. In this interview, doctor Syed Saquib discusses the University Medical Center's (UMC) role during the night of the October 2017 mass shooting in Las Vegas, Nevada. He speaks about the hospital's level of preparation and the procedures in place that allowed for an effective and controlled system to treat the survivors. Saquib talks about the group effort that was required to care for all of the patients in an efficient manner. In addition to that night, he also discusses his move to Las Vegas in 2016 and the sense of community he has developed.
