Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Dickhudt, Timothy, 1986-
Contributor:	Remembering 1 October Oral History Project
Title:	Timothy Dickhudt oral history interview
ID:	OH-03409
Date:	2018 March 13
Physical Description:	2 Digital Files (0.058 GB) MP3, PDF/A
Language of the Material:	English
Abstract:	Oral history interview with Timothy Dickhudt conducted by Barbara Tabach on March 13, 2018 for the Remembering 1 October Oral History Project. In this interview, Timothy Dickhudt discusses his move to Las Vegas, Nevada in 2017 for a fellowship at the University Medical Center in Southern Nevada (UMC). He describes the night of the October 1, 2017 mass shooting, how he was called into work almost immediately after he arrived home from his shift, and his gradual understanding that a mass shooting had occurred on the Las Vegas Strip. Dickhudt also talks about operating on a family acquaintance from his home state of Minnesota who had attended the concert.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

This interview was conducted and transcribed by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2018. Michaella Gazala wrote the collection description. The audio has been minimally reviewed and all readily available information has been included in the description.
