Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Please contact UNLV Special Collections and Archives for additional information.

The digital materials in this collection are unprocessed. Arrangements must be made in advance to access digital files; please contact UNLV Special Collections and Archives for additional information.

Publication Rights

This material is made available to facilitate private study, scholarship, or research. The donor, Joyce Woodhouse, transferred all right, title and interest they had in the Clark County School District Community Partnership Photographs (PH-00466) to UNLV. However, some material may be protected by copyright, trademark, privacy, publicity rights, or other interests not owned by UNLV. Users are responsible for determining whether permissions are necessary from rights owners for any intended use and for obtaining all required permissions. Acknowledgement of the UNLV University Libraries is requested. For more information, please see the UNLV Special Collections policies on [reproductions and use](#) or contact us at special.collections@unlv.edu.

Acquisition Note

Materials were donated in 2025 by Joyce Woodhouse; accession number 2025-098.

Appraisal Note

Acquired by Aaron Mayes, Visual Materials Curator, as part of UNLV Special Collections and Archives holdings on the history of Las Vegas. Approximately 0.54 linear feet of duplicate photographs and 12 vhs tapes were discarded. A plaque was photographed and discarded; an unlabelled, incomplete guestbook for an unknown event was also discarded. Tammi Kim reviewed and appraised the born-digital files from 13 optical discs and 5 floppy disks and removed duplicate and system generated files. The rest of the original accession was retained. The optical discs and floppy disks were securely disposed after files were fully transferred, processed, and preserved following UNLV Special Collections and Archives Digital Preservation Guidelines.

Processing Note

These records are unprocessed. Landon Paljusaj accessioned the collection in 2025. In 2025, Sarah Jones reboxed the collection and a student assistant transcribed folder titles and audiovisual item descriptions, which were used to create the finding aid. Tammi Kim processed the born-digital materials including migrating files off of optical discs and floppy disks and normalized files to standard preservation and access formats following UNLV Special Collections and Archives Digital Preservation guidelines.
